|--------------|-----------------|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|-----------------------|-----------------------|
| BSR          | 12 Jun 2019     | SGT  | <p>1. It is revealed from the ref ltr that you failed to remove the rig pin during carrying out through flt or even before arr of plt at the cockpit of MI-17 hel, ser no 469. As a result, during grd run pilot felt both foot paddle stuck up and he discontinued the grd run. After that you secretly remove the rig pin as if the pin was removed earlier or during the through flt. Moreover, you told the truth approx 20 minutes later which showed your tendency to hide the truth. Such activities put a question to your integrity as an airman working in a sensitive hel like MI-17. These matters have been viewed with great concern by the authority.</p> <p>2. The undersigned expresses his displeasure at your conduct. You are, hereby, advised to be more careful in future in maintaining integrity and morality. Failure of such compliance in future will merit severe disciplinary action against you.</p> | 12 Jun 2019        | Letter of Displeasure | Letter of Displeasure |
